

You Are Witnesses

Acts 1:1-11

May 16, 2010

You may be called to witness to those events such as in a traffic accident, or it may be simply something amusing you observed and began to share with others for their enjoyment.

You are also a witness for Jesus Christ.

Are you a good witness or a bad witness? Are you telling others about Jesus Christ as Lord or not?

How do you expect to get any better? What can you do to become a better witness for Jesus Christ?

Will you call yourself a good Christian, but fail to go witness as He tells you to do?

Are you making time in your busy life to read His Word?

Are you making time in your busy life to talk to Him in prayer?

What are we doing to witness here in this community where we worship? Whom are we inviting? Whom are we talking to and encouraging to return when they do come and visit? What are we doing to make this facility attractive and accessible so that others can and will come in? What programs are we seeking to offer to tell others of Christ's love for them?
